

# **SOUTH COURT**

**BAPTIST CHURCH**

**We are really looking forward to gathering as a church family and to worship together again.**

**Here's all you need to know...**

# Introduction

This leaflet will give you everything you need to know when coming back to church in this strange post-lockdown phase.

We want everyone to remain as safe as possible whilst also being able to worship together. Therefore, this leaflet encompasses both current Government and Baptist Union guidance.

Please get in touch with the church office if you have any further questions, email: [office@southcourt.org](mailto:office@southcourt.org).

Please note that a separate sheet will be produced in relation to children's and youth work.

## Before coming to church...

If you would like to attend church... phone or email the office to say that you would like to attend a particular service. We'll let you know if that is possible – numbers are limited.

Please don't come to church if you... have a high temperature, new continuous cough or loss of taste or smell.

Vulnerable? If you are in a vulnerable category, please consider current government advice – Should you be staying at home? We will be livestreaming services, and this may be more appropriate for you.

# When you arrive...

You'll need to bring something warm to wear (windows and doors may be open), a drink if you want one and your own Bible. Please remember to take everything back home with you.

You'll need to wear your face covering at all times and unfortunately you won't be able to sing during the service.

You'll be asked to wait outside until a steward leads you in.

You'll be asked to sanitise your hands as you arrive and when you leave.

You'll be shown to your seat either on your own or with your household. Please remember to keep a safe distance from others.

If you have under 11s with you... please make sure they are actively supervised by you when not in Lifekidz.

# Other things to bear in mind...

If you'd like to give to the work of the church, there'll be a basket on the café side for cash or a card machine at the Tech desk.

We'll keep details of attendance for 21 days in line with government guidance
